

# House Sitting Check List

Use this form to supply details about your House and Pets so that I can look after them with all the information I require. Leave this on your fridge door.

**Unless requested not to:**

- I will try and walk your dogs daily
- Play with your dogs and cats often
- Talk to your birds

I am open to gifts of food and money if you desire, some housesit owners have given me full access to their pantry (especially to use up food that would spoil).
