To whom it may concern,

I am writing a letter of recommendation for Kimberly Martin.

I have known Kimberly for over 20 years in both a personal and business capacity.

She is an outgoing positive personality and I have had her care for my home and pets of Maltese, Poodle and Cat on many occasions.

The care and attention she put into taking care of my pets and home made me feel very comfortable leaving her in charge while away.

The home was well maintained and my pets who are part of the family were cared for and treated just like her own with lots of love and fuss.

I have no hesitation in recommending Kimberly to anyone that is looking for a person who is responsible, courteous, friendly, trustworthy and who loves and is well experienced with pets.

Yours sincerely,
