

To whom it may concern

I recently had Kimberly Martin provide her house-sitting services at my property on the Central Coast where I breed alpacas. I also keep chickens and have an energetic affectionate dog and a cuddly cat. They were well cared for by Kimberly while I was away from home having major surgery to my shoulder.

Kimberly kept the place clean and tidy and fed all the animals, including driving to the various paddocks where the alpacas are kept. She also assisted me in moving the alpacas between paddocks as necessary. The dog and the cat were very happy having her company and clearly took to her.

I would have no hesitation in recommending Kimberly to look after your house and pets.

Yours sincerely
