

Ray and Kaye Cross
Croyden, Vic

To whom it may concern,

Kimberly has just done a "housesit" for us which included our beloved dog Beau.

Kimberly took great care of both our dog and house. The house was immaculate. She took great care to follow our instructions and kept us up to date with photos of Beau on his long walks.

He was a very happy puppy dog in Kimberly's care and we would not hesitate to have her housesit for us again.
